WELCOME MESSAGE

Welcome to Tyrannus Online Seminary (TOS)!

I trust that this Prospectus will provide the necessary information and excitement you will need to undertake this journey in education with TOS.

The Scripture tells us that when the apostle Paul was in Ephesus, he rented a lecture hall named after Tyrannus to continue to teach his disciples (Acts 19:8–9). The vision of our founders, Elder Tan Tek Seng and the late Dr. Paul Cheng Chai Liao is to provide this very same opportunity towards the community of the faithful. The objective is for TOS to educate and enable passionate Christians from all walks of life to bear much fruit for the Lord.

We are guided in this work by three fundamental principles:

First, we believe that the evangelical theology, as defined by any of the various schools should be the framework to guide us to arrive at a proper understanding of our Faith. Second, we believe that the Scripture is inerrant, but we are not. Consequently, we need to approach Scripture through careful scholarship, prayerful insights, and practical pastoral experience to arrive at a Christ-centered hermeneutics shaped by the conviction that the holy God of grace is revealed in that Scripture. Third, we believe that all theological education is not an end in itself but to live the Gospel proclaiming it at home, in the church, and in the workplace. Therein, it must hold the twin objectives of all churchmanship – strong pastoral care and strong missional goals.

We envision a time in the near future where our graduates will serve all over the world as pastors, deacons, teachers, missionaries, translators, administrators, mentors, marketplace professionals, business leaders, and owners. We want to be used by God in this way, and are grateful for this privilege of serving you. TOS is transitioning from a synchronous online model to a hybrid of majority asynchronous and some synchronous classes. This offers great flexibility and customization for potential students at a much-reduced cost

I invite you to walk with us in this journey to equip yourself to go out into the world that we may love and serve the Lord.

Dr Tan Tek Seng
CEO/Acting Principal

BRIEF HISTORY

Tyrannus Online Seminary (TOS) was established with the vision of providing accessible, flexible, and high-quality theological education to Christian working adults through an online learning platform. The seminary began as **Tyrannus Online Seminary Sdn Bhd**, officially registered with the Companies Commission of Malaysia (CCM/SSM) on **28 October 2014**, and later transitioned to **Tyrannus Online Seminary Bhd** on **4 March 2015**.

The seminary is governed by a **Board of ten members** representing various evangelical denominations, reflecting its commitment to interdenominational cooperation in theological education. In **2017**, Dr. Anthony Loke was engaged as **Consultant Principal** from April to November to lead the foundational phase and launch the seminary's academic operations.

TOS is actively preparing for **full accreditation** with the **Asia Theological Association (ATA)** for its certificate, diploma and degree programs, ensuring academic excellence and regional recognition in theological education.

FOUNDING PHILOSOPHY

TOS is “built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone” (Eph. 2:20). His servants, the co-founders Dr. Paul Cheng Chai Liao and Elder Tan Tek Seng took inspiration from the story of the Apostle Paul whom when criticized by those who were “stubborn and continued in unbelief, speaking evil of the Way before the congregation, he withdrew from them and took the disciples with him, reasoning daily in the hall of Tyrannus” (Acts 19:9). There rests our institutional philosophy: (a) an alternative place for the learning of reasoned theology; and (b) that Theology for Everyone. Our vision follows therefrom.

VISION

To be a global learning platform that brings the Word of God to the nations

MISSION

TOS provides accessible, Christ-centered education to equip disciples and empower lives to the glory of God.

STATEMENT OF FAITH

1. **Scriptures** – We believe in the Bible, both Old and New Testaments, as Scripture, written and handed down to us by persons inspired by the Holy Spirit, and is inerrant, infallible, and authoritative in all matters of faith and practice. Therefore, it is relevant in all cultural context for all times; and that theology be taught in a way that does not contradict Scripture. (2 Tim. 3:16-17; Prov. 30:5-6; John 10:35; 2 Pet. 1:21)

2. **God** – We believe in one true and living God, eternally existing in three Persons: Father, Son, and Holy Spirit, who are coequal in glory, majesty, and power. God is sovereign, holy, and gracious, the Creator and Sustainer of all things. God has revealed Himself in Creation, History, and in Jesus Christ. (Deut. 6:4; Matt. 28:19; 1 Cor. 8:6).
3. **Jesus Christ** – We believe in Jesus Christ, truly divine and truly human – conceived by the Holy Spirit and born of the Virgin Mary, lived a sinless life, performed miracles, died on the Cross to atone for our sins, rose bodily from the dead, ascended into heaven, and will personally return in glory and power to judge the living and the dead, and reign forever. He is the only Mediator between God and humanity and the Head of His Church. (John 1:1-14; Rom. 5:8; 1 Cor. 15:3-4; Col. 1:18; 1 Tim. 2:5)
4. **The Holy Spirit** – We believe in the Person and work of the Holy Spirit, who convicts the world of sin, righteousness, and judgment, regenerates sinners, and indwells believers. The Holy Spirit empowers, sanctifies, and equips the Church for ministry, distributing spiritual gifts for the edification of the Body of Christ, conforming believers to the image of Christ. (John 16:7-15; Acts 1:8; 1 Cor. 12:4-11; Gal. 5:22-23)
5. **Humanity** – We believe that humanity, male and female, is created in the image of God and was made for a relationship with Him. However, through Adam’s disobedience, humanity fell into sin, becoming spiritually dead and alienated from God, and is now subject to His judgement (Genesis 1:26-27; Romans 5:12-19).
6. **Salvation in Jesus Christ** – We believe that salvation is by grace through faith in Jesus Christ alone. It is a gift of God, not based on human works. The death and resurrection of Christ provide full atonement for sin, and through repentance and faith, individuals are justified, regenerated, and adopted into God’s family. Salvation calls believers to live lives of obedience and holiness (John 3:16; Ephesians 2:8-10; Romans 5:1-2; Titus 3:4-7; 1 Peter 1:15-16).
7. **The Church** – We believe in the universal Church, the body of Christ, composed of all true believers. The Church exists to glorify God by worshiping Him, preaching the Gospel, disciple believers, and serving the world in love. The local church is a visible expression of this universal body, gathering for teaching, fellowship, prayer, baptism, and the Lord’s Supper (Matt. 28:18-20; Acts 2:42-47; 1 Cor. 12:12-27; Eph. 1:22-23).
8. **Spiritual Realm** – We believe that God created the spiritual realm of hosts of angels, among whom there were those who did not keep their holy estate and deviated from the eternal purpose of God, chief among whom is one referred to as Satan. Though Satan has temporary power in the world, Christ's death and resurrection have decisively defeated him. (Gen. 3:1-5; Job 1:6-12; Matt. 4:1-11; Luke 10:18; Eph. 6:10f; Col. 2:15; Rev. 12:9)
9. **Last Things** – We believe in the personal return of Jesus Christ in power and glory to judge the living and the dead. We affirm the resurrection of the righteous and the unrighteous, eternal life in God’s presence for the redeemed, and eternal separation from God for the unrepentant. We look forward to the new heavens and the new earth, where righteousness dwells. (Matt. 25:31-46; 1 Thess. 4:16-17; Rev. 20:11-15; 21:1-4).

ASYNCHRONOUS VS SYNCHRONOUS LEARNING

TOS is slowly transitioning from using entirely synchronous online classes to a hybrid model of using asynchronous online learning for the majority of the courses with the exception of a few courses (e.g., Spiritual Formation, Pastoral Counselling) utilizing synchronous learning. What is the difference between asynchronous and synchronous learning?

- Synchronous online model: Students are required to log in and participate in a class at a specific time of the week for a number of weeks. They participate in real-time discussions with instructors and fellow classmates. At times, students join together to make class presentations.
- Asynchronous online model: Students can log in to view instructional materials each week at their own time and pace. There is no live online lecture but a recorded video uploaded onto the website portal.

Together with the videos, they read assigned materials. They can participate in discussion boards. Students can complete their assignments each week according to their schedule. When answering quizzes, they can get feedback from their instructors.

A big advantage to asynchronous online learning is its flexibility. It means that students do not need to be online at a specific time and day. They can almost take an entire degree program working on a flexible schedule that fits their convenience. Does that mean asynchronous learning is less rigorous than their synchronous or onsite counterparts? Not necessary so. Asynchronous learning requires the same amount of commitment and effort from students. The big difference is that you can be flexible and work according to your own pace.

To ensure the quality and depth of learning in the asynchronous learning mode, some interaction with the course lecturer or facilitator will be provided. To put this face-to-face meeting into effect, two tokens will be offered to students doing the asynchronous type of course. The first token is for a 2-hour Zoom meeting between the lecturer/facilitator on a one-to-one basis to address some concerns from each individual student. The second token is for a 2-hour group Zoom meeting to be held once a year for students taking up a particular asynchronous course available on the TOS website. This approach will help to alleviate the lack of interaction between the course lecturer and students in the asynchronous courses.

To accommodate the needs of working adults, ministry leaders, and students around the world, we offer a robust asynchronous learning pathway through our Learning Management System (LMS), Moodle. Each course is carefully designed to maintain academic rigor while offering the convenience of self-paced study.

Through Moodle, students can:

- Access recorded video lectures and reading materials.
- Complete quizzes to reinforce learning of course content.
- Submit assignments and assessments.
- Track their progress through each module.

The asynchronous format ensures that students receive quality theological education, even if they are in different time zones or balancing other commitments.
